

So you have an audition! And you want to Coach with Colleen!*

**I am only taking on new clients with previous training or experience in the entertainment industry.*

Here's what I need you to do:

Please email me directly at colleenbasis@gmail.com ASAP!

Include the following info in your email:

- Your Actors Access or Backstage link or your headshot, resume, reel and/or self-tape example.
- What are the audition details? (Show or project, roles size, and any relevant info. Example: I have an audition for a recurring guest star on a new streaming show.)
- How many pages are the sides?
- What is your deadline?
- Do you ONLY need to Coach with me? Or do you need to Self-Tape with me also? (They don't need to be 2 separate sessions- we can do both in 1 session.)
- Give me 2 time frame options that work for your schedule.

I will email you back with my rates ASAP and if I'm available in the time frames you gave me. If I'm not available those times, I will offer alternatives that fit into my schedule.

Then we will go from there! Looking forward to working with you!

:) Colleen
